

NOTICE

The Directorate of Higher Education, Govt. of Goa under directives received from the Department of Information & Publicity, Govt of Goa is initiating a two-month public awareness campaign to influence public behaviour on Covid 19 as decided by the Union Cabinet Secretary, for all the Union of States of India.

For the purpose teachers are requested to reinforce awareness among students about precautionary measures such as the wearing of facial masks, following social distancing and maintaining hand hygiene. Web links of relevant online resource material will also be shared weekly and teachers are requested to share the same with students during the conduct of online classes.

Weblinks for this week.
